NEW YEAR — NEW CAMPAIGNER

JO BREEN HANDS OVER TO AXEL, OUR NEW HARD-WORKING CAMPAIGNER

Axel Segebrecht has made Bletchley his home for over eight years. He is passionate about **protecting green spaces** and doing more to **fight man-made climate change**, which he sees as the biggest threat to humanity. "I'm keen to ensure that the new **Bletchley and Fenny Stratford Town Deal** sticks to good environmental principles and

outcomes," Axel says. "Having two kids has shown me the importance of setting a positive example and taking meaningful action. **Going litter picking with my kids and raising local issues such as parking or recycling with the Milton Keynes Council are regular activities for me and I want to do more by representing people in the Bletchley East ward and putting our Green policies at the top of the Council's agenda.**"

"I'm so happy to hand over to such a great candidate," says Jo Breen. "I'll still be active with the Milton Keynes Green Party and **will be supporting Axel in his work.**"

MILTON KEYNES GREENS SUPPORT THE NHS IN FIGHTING COVID

BLETCHLEY TESTING AND VACCINATION GOING FULL TILT

Vaccinations against Covid 19 continue to be delivered at Water Eaton and other locations around MK. The first jab was administered in December to **local people aged 80 and over, local care home workers, and local NHS staff** who have been assessed as being at the highest risk of serious illness from COVID-19. The second phase has been postponed, allowing more people to have the first jab. **You will be contacted when you are able to receive the vaccine.**

"Enabling us all to be vaccinated against this awful virus may seem like a miracle, but it's simply **our wonderful NHS at work,**" says Axel.

The local council elections will be on **6th May** this year. Bletchley East currently has three Labour Councillors, and this election is to elect only one Councillor in this area. The Green vote is growing fast and this year you can elect **Axel** as your **Green Party Councillor**. Green councillors make a huge difference. **Axel is local to the area and is able to listen and stand up for local residents, holding the Council to account.**
